

TRAINING FOR APPRENTICES

Your way to an internship abroad

ABOUT THE ERASMUS+ PROJECT

Goal: Long-term mobility for apprentices

Several partners from four European countries are working on the implementation of the project: France, Finland, Italy and Germany.

THE LONG-TERM MOBILITY

The implementation:

You are doing a two-month internship from the middle of January to the middle of march in a garage in Lyon, France.

A learning agreement signed by all stakeholders assures a well planned internship.

EU-FUNDING

Your scholarship:

During your internship abroad, the continuation of your usual work remuneration and social security contributions is guaranteed. Besides, you will receive a scholarship to cover your additional costs.
